About Me

I am a B.E graduate with knowledge in Frontend Web Development skills from Tamilnadu in india. I have just completed MERN Stack development at Guvi geeks IIT-M, chennai. I love to create web apps & listen new ideas, look forward to connect with you.

Projects

- React Admin Dashboard App

  Build a complete Admin Dashboard App using React with Tables, Charts and CRUD operations. We will be using modules of react, react hooks and also use react router dom.

- React Shopping Cart Ecommerce

  Creating a React Shopping Cart Ecommerce website using React. We will be using modules of react, Props and States in our project.

Tools

- Git & Github
- Postman
- Visual Studio Code
- Netlify

Achievements & Activities

- RAJYA PURASKAR AWARD from The Bharat Scouts & guides.
- First prize in District level Quiz competition, & School Topper in Both HSC and SSLC.
